Head Teacher
Mrs E J Brown

Dear Parents,

We are fortunate to be able to provide before and after school childcare as well as a nursery on our premises through the Early Years Learning Alliance. Provision is excellent, with a purpose built room at the end of our building.

Over the years, with the tightening of safeguarding procedures, the design and whereabouts of the childcare room as proved less than ideal, with access being across the playground for nursery parents and carers. It can be very concerning for school staff to see unknown adults in the grounds, especially during playtimes or outdoor. We have trialled and tried many ways to ensure access to childcare is welcoming whilst having the tightest safety possible for our children in school.

With the national guidance Keeping Children Safe in Education and our Child Protection policy having been updated we have been prompted to review these access procedures.

Who?	Entrance and Exit Points	Additional Safety Measure
Preschool Parents	Via the main gate on Barnstone Road using the buzzer and video cam.	Do not let anyone else in the gate with you. The gate must be shut behind you so that preschool staff can check them in. Pull the gate tightly behind you and check it is closed.
Out of School Club Parents	Via the school office entrance.	Out of School Club will have their own doorbell in the lobby and will bring your children to you to exit the building. At times children are taken outside to play, especially if you arrive before 4.30; a sign will be put on the bell if this is the case and you will be directed to collect from the main school gate.

Please note; the car park is for staff and deliveries only, and parents are not permitted to use it for drop off and collection of children.

As always, these changes are made in the very best interests of your children.

Yours sincerely,

A handwritten signature in blue ink, appearing to be 'EJ Brown', with a long horizontal stroke extending to the right.

Mrs Brown
