Dear Parents/Carers,

### **Connect and Reflect Afternoon**

The purpose of reporting to parents is to create a partnership, to aid and expand your child's learning experience. With your support and guidance at home, children make more rapid progress and secure a positive attitude towards learning, ensuring education is not seen as a school based job but that learning is for life.

At the end of last term, you received a report to provide you with a snapshot of their progress so far which was followed up with a parent/teacher meeting to provide you with an in depth understanding of their strengths and targets. Following these, we have planned termly Connect and Reflect afternoons where you can come in and celebrate your child's learning with them and get a flavour of the work they are doing in school.

We are keen to go ahead with these, but must take into consideration the current Covid climate we are working in. Therefore, we are going to tighten the arrangements and spread the afternoons across two dates; Tuesday 18<sup>th</sup> January and Thursday 20<sup>th</sup> January.

You are invited to book a slot via the form below. Entry to school will be through reception where you will be taken through to the hall. Tables will be set up in there where you will remain seated and your children – even if they are in multiple classes - will then bring their work to you for you to share and enjoy.

We do hope you find this way of reporting to you useful and meaningful, and look forward to working in partnership with you for the good of your children.

Yours sincerely,
