Dear Parents/Carers,

Connect and Reflect Afternoon - Thursday 28th April

At the end of each term, you receive a report to provide you with a snapshot of progress so far which was followed up with a parent/teacher meeting to provide you with an in depth understanding of their strengths and targets. Following these, we planned termly Connect and Reflect afternoons. These were a great success last term and parents enjoyed celebrating their child's learning with them and getting a flavour of the work they are doing in school.

Connect and Reflect Afternoon is set for Thursday 28th April. You are invited to book a slot via the form below. We will try to accommodate your request but will have limited spaces for each time slot.

Entry to school will be through reception where you will be taken through to the hall. Tables will be set up in there for you to gather with your children – even if they are in multiple classes - will then bring their work to you for you to share and enjoy.

We do hope you find this way of reporting to you useful and meaningful, and look forward to working in partnership with you for the good of your children.

Yours sincerely,

Mrs. E. J. Brown
