Lessons take place weekly! (Monday Afternoon) between 1:00pm and 3.00pm for a duration of 20 - 25 minutes in small groups during school time. The aim of our lessons is to create regular weekly education, in order for our pupils to develop competency on the instrument. Children may start playing the drums from year 1 upwards. Feedback is available to parents on demand, (contact us above or via our website).

Drummers have the opportunity to perform at least once per year at a music showcase evening or a dedicated drumming concert arranged by the school and ourselves.

All equipment is provided. We offer a variety of resources from full acoustic drum sets, electric volume controlled drum sets, practise pad silent drums, head phones, PA and percussive instruments. All charts, sheet music, backing tracks and homework set for practise outside of our lessons are available online. All pupils play and practise together throughout the lesson and rotate from one station to the next. Initially it is not essential to have drums at home to get started, we can however provide information and advise on purchasing equipment as and when required.
