Residential Trips

Dear Parents/ Carers,

It has become customary at Langar that children in years 4, 5 and 6 are given the opportunity to take part in a residential trip. These are done in partnership with Gunthorpe school as we feel this provides an excellent opportunity for our children to mix with their peers and make new friends, in preparation for secondary school. We have booked our residential trips for the year ahead but have moved them to earlier parts of the year to alleviate the bottle-neck of activities in the summer term and to provide more scope to reap the impact of the skills learnt and bonds made during their time away. Due to the rearrangement of our class structure we are also inviting year 3 children to our class 3 trip.

I have outlined below the residential trips on offer. In addition to the trips organized for class 3 and 4, we are maintaining our alliance with Ventures, and offering a further 10 places to this optional trip in the summer term. Further details of this will be given nearer the time and places allocated by pulling names out of a hat.

A deposit payment will be required in order to secure your child's place on the trip. Deadlines for this are outlined below. We are aware that the class 3 trip is a little short notice, please see me if you wish to extend the deadline for payments, all other trips must be completely paid for before your child attends. Trips will be paid for via Squid accounts.
