Dear Parents,

Sports and Activities week will take place across the week beginning Monday 9th May. Children will be signing up to complete a number of challenges in school that will test their problem solving skills, dexterity, perseverance and team work. These activities will earn them house points that will accumulate across the week.

We would like to invite you to join us on Friday 13th May for an afternoon of tea, cakes and sports activities! The activities will give you the opportunity to watch your children take part in non-competitive and will be fun and accessible for all children. KS1 events will take place at 1.00pm – 2.00pm and KS2 from 2.00 until 3.00. You are welcome, as always, to come and support the children for as much or as little of the event as you wish.

We will not be providing seating at this event, as the activities will be organised as a carousel and you will want to follow your child around them. However, you are very welcome to bring a deck chair if you wish. Refreshments will be on sale throughout the afternoon.

Once the events have been completed, the children will be taken back to their classes in order to gather their belongings. Once this has happened, if you have attended Sports Afternoon, you can collect your child from the same place as usual. As it is the last day of term, if you

have only attended the KS1 event you will be permitted to take your children when their event finishes to save you from having to go home and come back again.

Please ensure your child is suitably equipped for Sports and Activities week, by putting sun block on them and providing a water bottle. They are also invited to wear PE kit and a top in their house colour every day:

Booth – Green Wilberforce – Red Cadbury – White Ten Boom – Blue

We hope you will support your child on what promises to be an exciting day.

Yours sincerely

Mrs Brown
