The clock tower

In a calm ^{colorful} village there was a ^{Beautiful} ~~But~~ ^{like}

Water tower it was a clock tower.

The ~~her balloons started drifting up into the air~~ grass was freshly green and the village had lovely ^{small} houses and colorful roofs. The dancer is the key to the clock and she gives ~~time to the village~~ ^{time to the lovely village!}

The dancer loved looking at the brilliant balloons and she wanted to go and see them properly. When she went out of the clock tower time stopped because she was the key! She touched a green balloon the ~~color~~ color came back but it started back in the ear and when/gray she sadly walked and ~~thunk~~ ^{thunk}. she walked to her clock tower and

attached her self to the cog. She spun around and life came back to the village and she was happy. The end.
