

# STAMPEDE!

Friday 10th May 2024

Dear parents,

Let me set the scene... It was yesterday afternoon and I was sat in my headteacher's office, in the middle of an important phone call. Out of nowhere, I heard a rumbling sound. Footsteps. It sounded like they were moving quickly towards me. Then all of a sudden three wild animals, straight from the savannah but wearing blue school uniform burst into my office. There had been a stampede of happy children! What kind of a school is this? The kind of school I like...

Let me update you on more of the exciting things that have happened in the last couple of weeks.

## Walesby Forest Residential Trip

Mrs Nicholson, Mr Patchett, Mr Hall and Mrs George have had the privilege of taking holiday during term time! They even took the class three children way with them. Three long sunny days were had at Walesby where the children enjoyed firing air rifles, climbing walls, raft building, taking the 'leap of faith' (special mention for Annie's show of bravery!) and enduring the disorientating delights of the cave maze (special mention for Mr Hall's show of bravery), and got to spend the night with their best friends. It sounds like everyone had a whale of a time, challenging themselves with the safety of all those trusted people around them to give the required support. I've provided a few photographs in this newsletter—there are many more on the school website. I must publicly thank our staff for their energy, stamina and love that is required to make these trips a success. They embody the value of *take care*.

## The Visit of the Lambs

We were so lucky to be visited once again by the Page family who brought four of their lambs to show to the children. We got to meet Ronaldo, SpongeBob, Spotty and Dot. Some lucky children even got to feed the lambs with a bottle. The teachers (never missing a teaching moment) asked the children to think of adjectives to describe the lambs. We heard fluffy, cute, white, soft, woolly... even delicious! Thank you to

## Match of the Day

Mr Hall has organised a friendly football match for us here at the Langar Arena. He is in the process of picking the team - look out for a letter soon. Kick off is at 4pm. Turnstiles open at 3:20pm and tickets go on sale today at a new price of just £0! Turn up and support your school.

## Website/School App

I'm slowly getting to grips with the school website so please be patient if pages appear to change/move/disappear. I'll use the School App to let you know when I've added photographs of what your children do best—learn whilst having fun.

Take care,

Mr Walker-Jones
